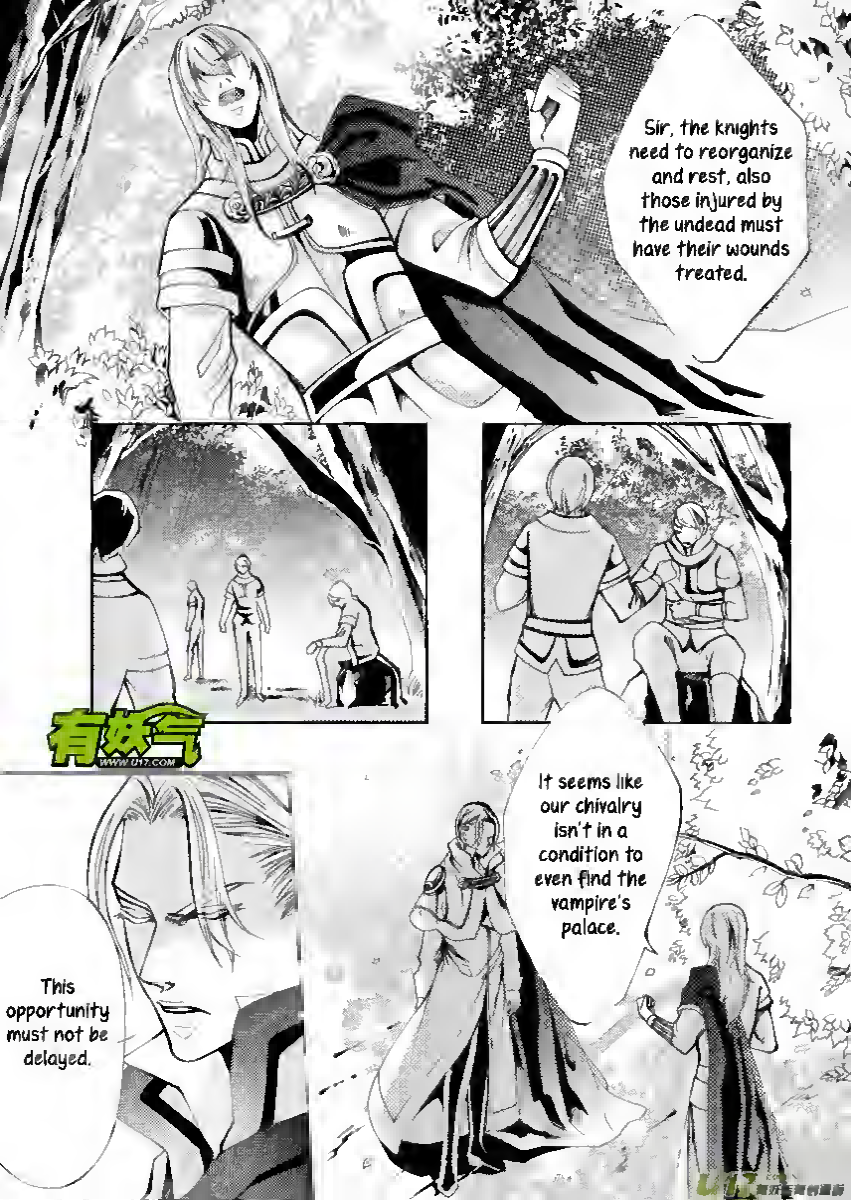
Stillness
Every-one, march toward the Black Forest!
Do you all intend to disobey?



Sir, the knights need to reorganize and rest, also those injured by the undead must have their wounds treated.
It seems like our chivalry isn't in a condition to even find the vampire's palace.
This opportunity must not be delayed.

WHY DON'T YOU MARCH YOURSELF!
OUCH!
Step
smash
Rush
Angry
Sir, the knights do in fact need to rest. How about I take a few less injured men into the Black Forest in search for an entrance into the palace, while the rest retreat into the Church nearby to receive medical attention and replenish our stock of Holy Water?
I told you to not go against the chain of command, why don't you listen?!
Please step off now.
You, leave with a small group. The Noble's palace must be found before sunset, then you're to regroup with the Calvalry at once.
Everyone else will stand by the edge of the forest.

I'LL GO IN YOUR STEAD!
Wash
Yes sir! And please send for the reverend to come and heal our fellow knights.
YOU STOP RIGHT THERE! IT'S USELESS FOR A FOOL-HARDY PERSON LIKE YOURSELF TO GO!
Take someone and replenish our stock of Holy Water, then drag that coward of a reverend here; I won't be able to do those things.
Explo-ration is my strong point. Don't worry.

Why must one of such fiery temper be subject to an icy commander...
Hey, you two, let's leave for the church.
Yes

Master, it will be dark saon.
This may not be that bad
Right, you can ask the scouts outside our mansion to come back now, the Wilson's are still waiting.
invading our mansion isn't a crime one would take lightly

Never had a wolf not devoured the meat beside it.
……
John the role of butler must have been in the hands of your family for three generations now…
Yes, Master, my grandfather, my father and I will devote our lives to the Zevi-Fournier till the day we perish
Yes… there is something I need to do.

How is my sister?
... I told you to not to disturb me.

Will she be able to move?
Sorry, it is urgent.
That's wonderful
She'll wake soon, it shouldn't be a problem.
...What is the matter?

Where are you taking her?
There's a carriage waiting behind the garden, John is waiting for you there.
I've already cantacted Aunt, you should go there.
WHAT! HOW CAN WE LEAVE LIKE THIS?!
You must go! Soon the Church will arrive with cavalries and search through our mansion, you cannot stay here.

Wait... at least until your sister awakens!
There is no time...
... Alright, but you need to send for us soon, I can't hide my identity for long.
I will as soon as possible

Be careful on the road.
... Hey, what do you think happened to Julian?
He hasn't smiled like that for years now.

Mobilizing the Holy Knights to search the mansion? Isn't that too much of a fuss?
John, turn around, we're going home.
Whoosh
WHAT! JUST WHO IS YOUR MASTER? TURN AROUND THIS INSTANT!
Sorry, Master Lance, I cannot do that.

Master Lance, Master Julian is doing this for your benefit...
Chatter Chatter
Something must have happened in the mansion! Julian, your smile back then... did you finally feel relieved?
Were we really such heavy burdens on you?

Whoa
WHO'S THERE? CAN'T YOU SEE THIS IS A ZEVI-FOURNIER CARRIAGE?
It's exactly you I'm blocking, Moster's orders, 'if ony one from Zevi-Fournier comes, don't let a single one of them pass!'
